

Bridge to College

Helping Students Reach Their First Day of College

Bridge to College is a **free** program that provides as-needed resources, support, and guidance to students between high school graduation and the first day of college classes.

Bridge to College is open to **all Stamford graduating seniors**, no matter what college they plan to attend.

Why Is Bridge to College Important?

Stamford Cradle to Career's Bridge to College program combats "summer melt" by ensuring that students fulfill their requirements prior to the start of the fall semester. According to a post-participation survey, 80 percent of responding students found the program helpful in completing all the steps to enroll in college, including:

- General Guidance
- Timelines and Deadlines
- Financial Aid Process
- Placement Exams
- Registering for Classes
- Submitting Required Paperwork
