Fostering Equity and Inclusion

Restorative Practices:

-  We provide a free comprehensive 10-hour basic training in school climate, defining what school climate is, the difference between school climate and school culture and the role of adults in school to foster a positive school climate.
-  We provide a free comprehensive 10-hour basic training in restorative practices, providing the necessary information for establishing the conditions for developing and nurturing a culture based on high quality relationships among all school community.

Dolan Empathy:

-  We lead an afterschool program designed to spark conversation about the role that empathy plays in our lives: at school, at home, in the community and world.
-  Topics discussed: Definition of empathy, embracing others, managing emotions, modeling empathy and more.

Community Racial Justice Webinar Series:

-  An ongoing collaboration between Stamford Cradle To Career, Stamford Stands Against Racism, Domus, and Community Health Center.
-  Presenters share insight and actionable steps on a range of subjects related to community, faith, workplace and mental health.
