

Better TOGETHER

2024 Partner Convening

WELCOME

0-5 Early Childhood

All children reading at grade level by 3rd grade

Together with Stamford Public Schools, the library, our after-school partners, and the City of Stamford we find ways to help:

Build spaces outside of school that reinforce literacy

Connect families to resources that help their children learn to read

Families understand their role in helping their child learn to read

Early Grade Reading

All children enter kindergarten ready to learn

Together with Stamford Public Schools, the library, our after-school partners, and the City of Stamford we find ways to help:

Build spaces outside of school that reinforce literacy

Connect families to resources that help their children learn to read

Families understand their role in helping their child learn to read

Middle School Years

All students successfully transition to high school

Together with Stamford Public Schools, Rippowam and Dolan Middle Schools, and community partners, our Full-Service Community School model helps:

Build a stronger school community

Expose students to new hobbies and skills after school

Connect families to important resources

After High School

All students graduate high school with a plan for success

Together with Stamford Public Schools and youth development organizations we make sure high school students are:

Aware about important summer deadlines for college

Supported the summer after graduation

Ready to confidently take on their next phase of life

Civic Engagement

Advocating to shift systems and power

Together the four CT Cradle to Career communities are working to:

Collaborate to change policies both local and state

Use data to help make our case for change

Share your story to replicate what works

Center youth and community voice in policy change

Community Engagement

Letting lived experience guide the conversation

Together we are creating spaces for families and youth to guide our work and inform our community.

Hosting events for families and youth

Asking questions about what families need and want

Listening to what families say
